Graduate Assistantship Application Form

The Department of Public Policy offers, on a competitive basis, several graduate assistantships (GA's) each year. To be considered for an assistantship please complete this form and return it with your completed application to:
University of Connecticut Graduate School, 438 Whitney Road Ext. Unit 1006, Storrs, CT 06269-1006

What is a Graduate Assistantship? A graduate assistant is assigned to a 10-hour per week commitment working as a teaching assistant or research assistant. Some GA's are also assigned to administrative work to support the mission of the Department.

Benefits of an Assistantship: If granted an assistantship, the student's tuition (but not the General University Fee, the Graduate Matriculation Fee, or other fees) is waived and a stipend is awarded. A graduate assistant is eligible for medical benefits (health insurance) through UConn's Human Resources Department. More information regarding graduate assistantships can be found on the Graduate School's homepage at:
