

MPA Student Elected to CT-ASPA Board

Chaz Plungis, a student in the Department's MPA program, has been chosen as the student board member of the Connecticut chapter of the American Society for Public Administration (CT-ASPA). In addition to this honor, Chaz will be responsible for recording the minutes at the monthly meetings and will attend the various professional development programs offered by CT-ASPA.

The Connecticut chapter is a varied group of professionals and citizens from the public and private sector, academia and nonprofit organizations. CT-ASPA runs a number of programs each year to try and enhance public understanding of critical issues facing the state and nation, bringing together public officials, legislators and experts on public panels. Through such public dialogues and networking events, the chapter seeks to improve the quality of public service and public policy for the good of all citizens.
